

# RW360 Seminar

On Saturday August 25th, Austin Bluffs Evangelical Free Church will be hosting a RW360 seminar taught by Ken Sande.

This one-day seminar (9am-3:30pm) is designed to teach Biblical relational skills which will greatly benefit anyone in the home, workplace, church or community. This training will introduce you to a discipleship paradigm called "Relational Wisdom", which is a God-centered, gospel-driven form of emotional intelligence. This paradigm is designed to equip Christians with six specific skills that will help them to fulfill Jesus' command to love God with all their hearts and to love their neighbors as themselves. As believers improve their relational skills, they can build stronger families, (leading to fewer divorces and meltdowns with their teens), find greater fulfillment and success in their work, and, most importantly, develop relationships that attract others to Christ (John 13:34-35).

This seminar will be taught by Ken Sande, who has had over thirty years of relationship-repairing experience with Peacemaker Ministries and Relational Wisdom 360. Ken has mediated hundreds of conflicts and learned what destroys relationships and what strengthens them. Many of these lessons are set forth in the books he's authored, including *The Peacemaker: A Biblical Guide to Resolving Personal Conflict*, which has sold over 500,000 copies in seventeen languages.

As illustrated by many testimonies of those that have profited from this seminar, the six skills of relational wisdom are producing benefits in a wide variety of settings, including churches, counseling centers, Christian-owned businesses, mission teams, pregnancy centers, Christian schools, law enforcement, and on military bases. As one pastor wrote: "I apply RW every day, either with church staff and volunteers, in elders' meetings, or in pastoral counseling. To keep the concepts fresh, I deliberately revisit them with my congregation every other month... it's so easy to work into sermons. I am amazed by how effective RW is for all sorts of ministry settings!" - David Mason, Pastor of Green Valley Church

The RW360 seminar is interactive and involves biblical exposition, analysis of film clips, group discussion, and real-life application exercises. This training is relevant to anyone who wants to develop better relational skills, especially those who are called to lead, serve and set an example of godly relationships for others.

The fee for the seminar is \$49 (\$80 for couples & \$25 for students), and scholarships are available.
